SUFFOLK TOURISM DEBUTS NEW DINING WEBSITE

SUFFOLK, VA (October 30, 2020) Suffolk Tourism is pleased to announce the launch of a new website that highlights eateries throughout Suffolk, Virginia. This new site, DiningInSuffolkVa.com, features a modern and functional design, offering quick and easy access to essential information about all the dining opportunities in the rapidly growing city. The colorful site showcases elements that work to inform and inspire a dining decision, including vibrant and engaging photography, creative content for all of the eateries in the Suffolk area, a personalized blog, and information about the popular Suffolk Restaurant Week promotion.

Tourism Development Manager Theresa Earles said, "We are pleased to debut a website that supports our citywide eateries and establishes clear and concise communication between restaurants and consumers. It is our hope that our local and regional citizens, as well as our visitors, reference DiningInSuffolkVa.com when they are searching for just the right cuisine to appease their cravings. This new site serves as a complement to of our existing 'VisitSuffolkVA' marketing initiatives."

The new Dining in Suffolk website is regularly updated with news and special offers, along with links to social media content. Visitors are encouraged to explore the website and learn about all the palate-pleasing restaurants that Suffolk has to offer.
