SUFFOLK TOURISM RELEASES HOLIDAY EDITION OF SUFFOLK ACTIVITY BOOK

SUFFOLK, VA (December 3, 2020): Need something to keep the little ones busy during the holiday season? Suffolk Tourism is pleased to release the Holiday Edition of their popular free Suffolk-themed activity book for children of all ages. Children can color, connect the dots, and conquer more word searches, while simultaneously learning about Suffolk's attractions, eateries, and shops, as well as holiday traditions like Christmas, Kwanzaa and Hanukkah. Each page offers fun learning exercises, designed to create a virtual Suffolk visitor experience during the ongoing COVID-19 health crisis. A downloadable copy is available now at https://issuu.com/suffolktourism/docs/suffolk_activity_book_holiday_edition. Printed books are also available inside the "Free Little Libraries" at the Suffolk Visitor Center and Seaboard Station Railroad Museum, and through the Suffolk Visitor Center's curbside service.
